

“Advance the Growing Interest in Zither Playing!” Become a Sponsor, Benefactor Donor, or Supporter

This is our time to advance the growing interest in zither playing. Tomy Temerson, Master Zither Teacher and Performer from Germany, will be with us for a Third International Zither Gathering March 29 to April 2, 2023. He leads workshops for zither players of all levels of ability helping to develop their playing skills. We form the largest zither orchestra to perform in the United States this year.

The first event of this kind in the USA was held in Washington, Missouri, in 1912, to honor Franz Schwarzer for all his years of building zithers in Washington for zither enthusiasts across the country and abroad.

The 2023 International Zither Gathering is being hosted by The Schwarzer Zither Ensemble and the Washington Historical Society. We are asking your support in helping us keep zither music part of our living history here in Washington. **We need \$6000 for the 2023 International Zither Gathering to help us preserve this marvelous heritage.**
